POT-HOLING IN TERMINAL A SHORT TERM PARKING LOT

**Continuing on Monday September 24<sup>th</sup>, 2018 through Friday, October 12<sup>th</sup>, 2018** from 7:00 AM to 5:30 PM, contractor Tutor Perini/Parsons will saw cut and excavate six (6) 4'x4' areas in the Terminal A Short Term Parking Lot, near the outer roadway. Each excavated area will be no more than 48" deep and will be restored with backfill and cold patch at the end of each work day.
