REPLACEMENT OF CHRP NORTH ELECTRICAL SUBSTATION AND CHILLER UPGRADES

Beginning on Monday, March 25th, 2019 through **Friday, April 30th, 2021**, between 7:00 AM and 3:30 PM, contractor ALNA Construction Corp will be removing and replacing the north electrical substation equipment and upgrading chillers. This will require the placement of a dumpster with a disposal (yellow arrows) and return (red arrows) route between it and the CHRP. There will also be a staging area and a contractor trailer located as shown in the above image.
