Virtual Early Works Meet & Engage Crash Wall

Wednesday, January 10th | 2:00PM-3:30PM | [REGISTER HERE](#)

As part of the Port Authority's multi-phase procurement process for the AirTrain Newark Replacement Program, this event for local and/or MWBEs will introduce you to the participating primes, scopes of work, and identify next steps for the EWR-154.940H (Crash Wall)

We invite firms in the following categories of work:

General Conditions:

- Site surveying

Structural:

- Concrete Wall Construction

Maintenance of Traffic:

- Signage; Barricades, Cones

Civil:

- Anti-Graffiti Coating; Excavation

Geotechnical:

- Pipe Piles; Micropiles

Environmental:

- Soil Disposal; Silt Fence; Stockpile
